

# BE PART OF SOMETHING GRAND

**One dollar (\$1.00) goes a long way to help keep the Grand Canyon grand!**

How does Grand Canyon National Park serve millions of visitors each year and protect this incredible landscape? With help from people like you!

Delaware North is partnering with the Grand Canyon Association, the official nonprofit partner of Grand Canyon National Park, to:

- Help fund visitor improvements
- Provide park information and education programs
- Restore historic buildings, like Kolb Studio
- Support sustainable practices
- Improve trails and trail safety
- Fund important research and wildlife protection

We offer our guests an easy way to contribute to the Grand Canyon Association through a voluntary \$1.00 or more per day add-on to your room bill. We hope you recognize the benefits of supporting these important programs at Grand Canyon National Park by choosing to participate.

Thank you for your support—together we will preserve and protect Grand Canyon National Park for future generations.
